

Property of:

«««« Day 1 »»»»

What was something new you experienced today, and what do you want to remember about it?

Day 3

How has what you've experienced on this trip impacted you?

What did you experience or perceive in this trip that relates to something you learned within a subject that you've studied (math, science, history)?

Day 2

How did your initial thoughts about today's activities differ from what you actually experienced? Why do you think there was a difference? Describe your feelings about the difference.
